

How right you are Diallo!
She is **very beautiful**, just like
the meaning of her name.

These recent events
have been **amazing!**
A spirit sent by GOD
has endowed us with
superhuman powers
so that we may help
bring peace, love and
unity to this world!

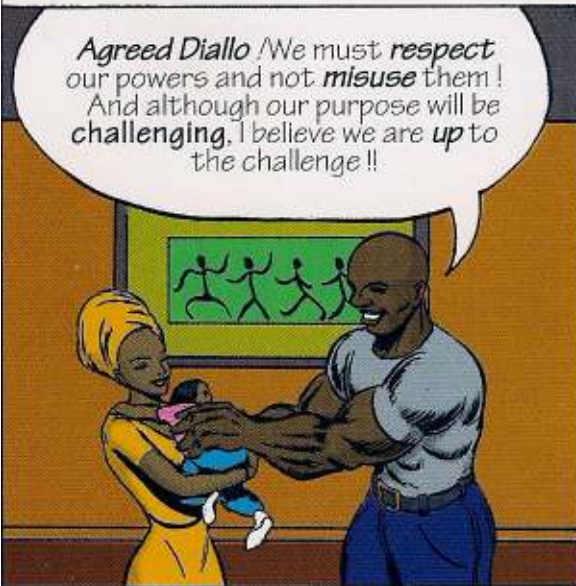

That's right Afiya!!
But you **know** I just can't
wait to *beat down* some
bad guys!

THUNK!

NO *Suwedi*. You musn't
think like that.
We're here to **help**
people with our powers
not **hurt** them.

Agreed Diallo We must **respect**
our powers and not **misuse** them!
And although our purpose will be
challenging, I believe we are **up to**
the challenge!!

**THAT YOU ARE MY
CHILDREN
THAT YOU ARE!**

MBWANA!
